

isearchmycommunity.ca Information Database

isearchmycommunity.ca is a one stop shop for information on a wide range of community services including basic needs, crisis, legal, education, health, immigration, recreation, individual/family support, youth, seniors, childcare, and much more! The information is available to the public and professionals at no cost. Information can be used for making referrals to other services for your clients, patients or customers. This information is being used widely. Custom reports are available.

The database is maintained by the Social Planning Council of Cambridge and North Dumfries, funded by the Region of Waterloo, and supported by a community advisory committee of over 20 agencies. The advisory consists of various local United Ways, 211 Ontario, and the cities of Cambridge, Kitchener and Waterloo along with several other community agencies. The advisory group will ensure the data meets the needs of the community and will look for collaborative ways to use the data service.

Please help us make this resource better by keeping your information up to date! Any time information about your service or organization changes, please update your information. Simply "suggest an update" when you are in the record on the site.
