Introduction

The Social Planning Council of Cambridge and North Dumfries has spent the past several months requesting and updating agency and organization information in order to bring you this directory of Community Services and Agencies for Lower-Income Families and Individuals. This publication is a comprehensive listing of all services that include or are geared towards the low-income population of Cambridge and North Dumfries. The purpose of this directory is to provide easier access for citizens to commonly needed services within Cambridge and North Dumfries.

This directory has been designed to be easy to navigate. Organizations are listed under specific categories with a complete index at the front. All organizations and agencies listed include a phone number, address, website, email address where applicable, and description of services provided.

Criteria for being listed in this directory is that the agency or organizations are either non-profit or provide a unique and important service that cannot be accessed in this region in the non-profit sector. Agencies and organizations must also provide a direct service to the low-income community.

It is the hope of the Social Planning Council of Cambridge and North Dumfries that you find this directory to be useful and informative. If you know of any organizations that meet the criteria that are not listed in this directory, feel free to give us a call at 519-623-1713 Ext. 225

Sincerely,

The Social Planning Council of Cambridge and North Dumfries
