Introduction

The Social Planning Council of Cambridge and North Dumfries has spent the past several months requesting and updating agency and organization information in order to bring you this pilot edition of *Cambridge and North Dumfries Services for Seniors*. This publication is a comprehensive listing of all services that include or are geared towards the senior population of Cambridge and North Dumfries. The purpose of this directory is to provide easier access for citizens to commonly needed services within Cambridge and North Dumfries.

This directory has been designed to be easy to navigate. Organizations are listed under specific categories with a detailed table of contents at the front and a complete index at the back. All organizations and agencies listed include a phone number, address, description of services provided, and level of wheelchair accessibility.

Criteria for being listed in this directory is that the agency or organizations are either non-profit or provide a unique and important service that cannot be accessed in this region in the non-profit sector. Agencies and organizations must also provide a direct service to the elderly community.

It is the hope of the Social Planning Council of Cambridge and North Dumfries that you find this directory to be useful and informative. If you know of any organizations that meet the criteria that are not listed in this directory, feel free to give us a call at 519-623-1713 Ext. 225

Sincerely,

The Social Planning Council of Cambridge and North Dumfries

Neighbourhood Organizations

The City of Cambridge is rapidly growing and contains many different neighbourhoods. Wherever you live in Cambridge, there is a neighbourhood organization in your area. These organizations usually provide programming for children and adults as well as volunteer opportunities. They also commonly employ an outreach worker who can help those in need of help such as additional food, counselling, and many other needed services. Neighbourhood organizations are a great way to get connected with both your neighbourhood and any additional resources you may need.
