Introduction

The Social Planning Council of Cambridge and North Dumfries is pleased to present this Directory of Community Services and Agencies for People with Disabilities. This publication is a comprehensive listing of all disabilities services offered within Cambridge and the surrounding areas, including services for children, recreational services, life skills programs, and respite care. It is hoped that you will find this directory useful for yourself, a loved one, or a client.

The criterion for being included in this directory is that all organizations must be non-profit, with the exception of organizations that provide a unique for-profit service to the community. The listed organizations must provide a direct service to the members of the Cambridge and North Dumfries community. Finally, the organizations listed must have at least one area of the organization that provides a service to differently abled individuals and/or their families.

It is the hope of the Social Planning Council of Cambridge and North Dumfries that you find this directory to be useful and informative. If you know of any organizations that meet the criteria that are not listed in this directory, feel free to give us a call at 519-623-1713 Ext. 225

Sincerely,

The Social Planning Council of Cambridge and North Dumfries

Services for Children

Autism Ontario: Waterloo Chapter

Website: www.autismontario.com

Email: waterloo@autismontario.com

Is an online community that provides information and referral and advocacy on behalf of persons with ASD and their families. Increases public awareness about autism and the day-to-day issues faced by individuals with autism, their families and the professionals with whom they interact. Also provides information and education, supporting research and advocating programs and services for the autism community.

Pride Stables - Central Ontario Developmental Riding Program

519-653-4686

584 Pioneer Tower Rd. Kitchener, ON N2P 2H9

Email: info@pridestables.com

Website: www.pridestables.com

Pride Stables, Central Ontario Developmental Riding Program offers therapeutic horseback riding lessons to people with disabilities. Therapeutic horseback riding utilizes the horse as a medium of therapy. The combination of the horse's movement, which simulates the human walking motion, and its higher body temperature, serves to supply passive heat massage to the riders' muscles, thereby either relaxing spastic muscles or stimulating lax muscles. Riders also participate in exercises improving their muscle strength and flexibility in their upper body.
