

Solutions to Poverty Waterloo Region

MISSION: To generate long-term solutions to poverty for people in Waterloo Region
VISION: All people in Waterloo Region have the resources and connections they need to live full lives

To achieve our vision for older adults, we will address the following “big ideas”

Older adults in WR have access to the resources they need

Older adults in WR have greater financial security

Older adults in WR are less socially isolated and can have a greater sense of belonging

Key enablers that run through all our big ideas include:

Safe, affordable housing

| Accessible, affordable transportation

| Proficiency in all forms of literacy

Over the summer of 2018, we will identify actionable strategies to address each of these “big ideas”.

Interested in getting involved? There’s always an open seat at the table!

Contact admin@spscnd.org for more information.

Solutions to Poverty will continue to seek alignment between our efforts and Wellbeing Waterloo Region.
